In constructing a strong community, we need to strengthen and re-inforce the building blocks - the fami

THE QUR'ANIC GUIDANCE FOR BUILDING STRONG FAMILIES

This includes :

- Strengthening the foundation of the family - marriage, the goal of which is the attainment of peace,
- Uncompromising emphasis on marital fidelity i.e. chastity of both husband and wife.
- Moulding the husband-wife relationship in accordance with God's Guidance.
- Establishing and developing parent-child and child-parent relationships in harmony with God's Guidance.
- Unswerving devotion and submission to the One True God on the part of all members of the family

May the Infinitely-Merciful, Ever-Bountiful, Absolutely-Loving Creator bless us with the capability to strive
